Dear Johnny DC,

My favorite character is Bubbles because she talks cute. She is very sweet and is kind to others.

Helen Tiffany Wong, age 7
Los Angeles, California

DRAWING BY HELEN TIFFANY WONG

Dear Johnny DC,

I wrote back in POWERPUFF GIRLS #62. You spelled my name wrong, but it's okay. My writing has gotten messier.

Anyway, this issue was one of my favorite comics! The reason is that it had how to draw the Powerpuff Girls, a tour of the Professor's lab, a maze, and a story of teamwork. I like how Blossom wasn't selfish that she was the leader. Instead, she tried to get help from Mojo to bring her sisters back together. My old character, Nikki, started kindergarten.

Kirsty Nicole B. Bocado, age 11
Bergenfield, New Jersey

Readers have written back again (that's nice) and readers have sent me their characters, but this is the first time a reader has written back to tell me what her character is up to!
— Johnny DC

DRAWING BY JOSHUA KWOK, HAWAII

Dear Johnny DC,

I have a new girl named Butterfly! She is purple with brown hair. She likes sports and she can become invisible. She also can make a ball appear in her hand, then she can throw it 106 miles!

Sophie Charest, age 7
Auburn, Maine

SOPHIE

Dear Johnny DC,

I have made three new characters. One of them has super speed, ice breath, fire lasers, and love potions and her name is Breeze. The other one has fire breath, tornado spin, and invisibility. Her name is Violet. The last one has super strength, stretch, and explosions, and her name is Vanessa. I hope you enjoy what I have written.

Marissa Lara Grassa, age 7
Sedona, Arizona

How can I not like fire lasers, fire breath, explosions, and love potions?
— Johnny DC

DRAWING BY MARISSA LARA GRASSA

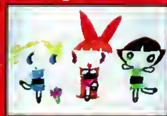

Dear Johnny DC,

My favorite Powerpuff Girl is BUBBLES. For some reason, right when I saw her, she immediately caught my eye. I don't know why my mom thinks my drawings are so good, though, because I think they are only OK!

I know you must hear this a lot, but I am definitely your Biggest Fan! I wish I could see you in person, but I doubt that will happen, will it?

Autumn Rose Carlson, age 8
Webster, New Hampshire

You and your mom are both right about your drawings. A fan likes how good something is, but an artist always wants to be better!
